

FAASteAM Safety Seminar

Loss of Control persists as the leading cause of accidents in general aviation. Preventing loss of control and recovering from it will be discussed by a CFI who is highly experienced in this area and who has given much spin recovery training. Click on the link below to sign up TODAY!

Directions: The meeting will be held in the Conference Room in the General Aviation Terminal at KUNV.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASteAM) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
